DEAR SPRINGS PARENTS,

Welcome back to another school year! This year, we plan to develop lots of exciting fundraisers and community outreach events to help our students, school, families, and community. We look forward to connecting with parents and teachers. Among others, one of our goals for this year's funds will be to help the Springs Garden grow. A very special thanks to SPAC for all you have done for the Springs community these past few years. We also wish to thank everyone who helped in any way to raise funds during the last school year!
